Mark Goodsell appointed to icare Board

icare Chair John Robertson has announced the appointment of Mr Mark Goodsell to the icare Board, following the retirement of Ms Lisa McIntyre as a non-executive director.

"Mark is a great addition to the icare Board, having been with the Australian Industry Group (Ai Group) for more than 30 years, including 20 years as Head of its NSW Branch, focusing on state and regional development, innovation, government procurement, skills formation, WHS, workers compensation and business regulation", Mr Robertson said.

Mr Goodsell is currently the national Head of WHS Policy for the Ai Group, the Chair of the NSW Industry Capability Network (ICN NSW) and was previously a member of Safe Work Australia and the NSW Skills Board, and holds qualifications in both Economics and Law.

Mr Robertson thanked Ms McIntyre for her contribution to icare.

"I would like to thank Lisa McIntyre for her contribution to icare. She has provided great input over many years, particularly in her role as Chair of the Board's Technology & Data Strategy Committee (formerly Customer, Innovation & Technology), a member of the Audit & Risk Committee and the now retired Foundation and Governance Committees. I wish her well as she continues to contribute to Australian corporate life.", Mr Robertson said.
